

IFR Asia Awards 2013

We are delighted to announce the IFR Asia Awards 2013. IFR Asia is looking for the most impressive deals and the institutions that have best delivered on their chosen strategies across Asia's financing markets over the past 12 months.

To help us in the selection process, we invite advisers and issuers to submit brief written presentations with supporting data by **October 14**. Please note consideration for an award will not be limited to institutions that pitch in this way. All deals that price in the 12-month period through to November 15 will qualify.

Presentations must be brief, including short summaries of relevant transactions. Presentations for House awards should include the following information: How did your institution adapt to market trends over the year? How did you stand out from the competition? What were your top five deals, and why were they significant?

Submissions should also include a clear statement of the awards for which you would like to be considered. After

carefully reading the submitted pitches the IFR editors will draw up a shortlist for each award and contact each relevant house to discuss pitches further.

Please submit ONE copy of submissions to:
Steve Garton,
Editor, IFR Asia,
10th Floor, Cityplaza 3
Taikoo Shing
Hong Kong

And email a copy to:
steve.garton@thomsonreuters.com

Presentations should also include recent, clearly identified photographs of senior executives and team members, as well as brief, quotable comments that may be included in articles about winning deals or institutions. Presentations for house awards should also include contact details (including phone number, email address and postal address) of the executive who would most likely collect the award in person at the Review of the Year Awards Dinner.

Presentations for deal awards should also include contact details (including phone number, email address and postal address)

for the relevant borrower/issuer. Final selection will be made by a senior editorial team in late November and the award winners will be announced in the IFR Asia Review of the Year supplement, which will be published on December 13 2013.

Below is a preliminary list of the awards that IFR Asia will consider for 2013. Publication of the list does not imply that all awards will be presented. The final list of awards to be presented will be at the editor's discretion.

Unless explicitly stated below, the IFR Asia awards take into account activity across the Asia Pacific region, including Australasia, but excluding Japan. The Domestic Bank of the Year must have its headquarters in the same region.

The awards will be presented at the IFR Asia Awards Dinner in Hong Kong on February 19. For all booking enquiries, please contact the hotline at +800 8727 8326 or email cmp.awards@thomsonreuters.com.

Further details of the awards process and previous winners can be found at: www.ifrasiaawards.com
